INTRODUCTION

This Proxy Statement is being furnished to holders of Green Plains Renewable Energy, Inc. (the "Company") common stock (the "Common Stock" or the "Shares"), par value \$0.001 per share, in connection with the solicitation of proxies by the Company for use at the Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the Golden Nugget Hotel and Casino (702.385.7111) located at 129 Fremont Street, Nevada 89101, at 9:00 a.m. (local time, Las Vegas) on March 27, 2006, in the Shoal Creek Meeting Room, and at any adjournment(s) or postponement(s) thereof. This Proxy Statement, the enclosed Notice and the enclosed form of proxy are being first mailed to stockholders of the Company on or about March 1, 2006.

VOTING AT THE ANNUAL MEETING

The Board of Directors of the Company (the "Board") has fixed the close of business on February 15, 2006, as the record date (the "Record Date") for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were outstanding approximately 4,220,990 shares of Common Stock held by approximately 783 holders of record. On the Record Date there were no Shares of the Company's stock held as treasury stock by the Company. Holders of record of the Company's Shares on the Record Date are entitled to cast one vote per Share, exercisable in person or by properly executed proxy, with respect to each matter to be considered by them at the Annual Meeting. The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding Shares is necessary to constitute a quorum at the Annual Meeting.

The Shares will be voted in accordance with the instructions indicated in a properly executed proxy. If no instructions are indicated, such Shares will be voted as recommended by the Board. If any other matters are properly presented to the Annual Meeting for action, the person(s) named in the enclosed form(s) of proxy and acting thereunder will have discretion to vote on such matters in accordance with their best judgment. Broker non-votes and abstentions are not treated as votes cast for purposes of any of the matters to be voted on at the meeting. A stockholder who has given a proxy may revoke it by voting in person at the meeting, or by giving written notice of revocation or a later-dated proxy to the Secretary of the Company at any time before the closing of the polls at the meeting. Any written notice revoking a proxy should be sent to Green Plains Renewable Energy, Inc., 7945 W. Sahara, Avenue, Suite 107, Las

Vegas, NV 89117, Attention: Mr. Dan Christensen, Secretary.

At the Company's annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including the election of five directors by the holders of Common Stock. The affirmative vote of a plurality of the votes cast at the meeting by the holders of the Common Stock is required to elect each director. The Board recommends that holders of the Shares vote FOR the approval of election of the directors proposed by the Board.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

1. Election of Directors

Board of Directors

The Company's Board is divided into three classes. One class of directors is elected at each annual meeting of stockholders for a three-year term. Each year a different class of directors is elected on a rotating basis. The terms of Gary Thien, David Hart, and Brent Lorimor were scheduled to expire at the 2005 annual meeting of stockholders. However, the Company did not hold an annual meeting of shareholders in 2005 so the terms of these directors will expire at the 2006 annual meeting of stockholders. The terms of Dan Christensen, Steve Nicholson, and Robert Vavra expire at the 2006 annual meeting of stockholders. The terms of Barry Ellsworth, Brian Peterson, and Hersch Patton expire at the 2007 annual meeting of stockholders. The Bylaws authorize from one to nine directors, the exact number of which may be determined by resolution of the Board. At the 2006 annual meeting of stockholder the number of directors comprising the board of directors will be reduced from nine directors to eight directors.

At this meeting two people have been nominated by the Board for election to the class whose term expires at the 2008 annual meeting and three people have been nominated by the Board for election to the class whose term expires at the 2009 annual meeting.

Unless otherwise specified, proxy votes will be cast for the election of the nominee as a director. If the nominee should be unavailable for election, the Board may designate a substitute nominee. It is intended that proxy votes will be cast for the election of such substitute nominee. Stockholder nominations of persons for election as directors are subject to the notice requirements described under the caption "Other Matters" appearing later in this proxy statement. The affirmative vote of a plurality of the votes cast at the meeting by the holders of the Shares is required to elect each director.

The following pages contain information concerning the nominee and the directors whose terms of office will continue after the meeting. Unless the context otherwise requires, all references in this Proxy to the "Company" shall mean Green Plains Renewable Energy, Inc. ("GPRE").

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION AS DIRECTOR OF THE NOMINEES NAMED HEREIN.

Board Committees

We have a standing Audit Committee established in accordance with section 3(a)(58)(A) of the Exchange Act, a Compensation Committee and a Nominating Committee.

The Audit Committee

The Company's Audit Committee held two meetings during the fiscal year ending on November 30, 2005. The function of the Audit Committee as detailed in the Audit Committee Charter is to provide assistance to the Board in fulfilling their responsibility to the stockholders, potential stockholders, and investment community relating to corporate accounting, reporting practices of the Company and the quality and integrity of the financial reports of the Company. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the directors, the independent auditors and Company management. The Company believes that the members of the Audit Committee are independent as defined by Rule 4200(a) of NASD's listing standards. The members of the Audit Committee are Messrs. David A. Hart, Steven Nicholson, Robert D. Vavra, and Brent Lorimor. Mr. Vavra serves as our Chairman and financial expert on that committee.

The Compensation Committee

The Compensation Committee was organized in November, 2005, near the end of our November 30, 2005 fiscal year end. As a result, the committee held no meetings during our last fiscal year. The Compensation Committee establishes a general compensation policy for the Company and, except as prohibited by applicable law, may take any and all actions that the Board could take relating to the compensation of employees, directors and other parties. The members of the Compensation Committee are Messrs. David A. Hart, Steven Nicholson, Hersch Patton, and Brian Peterson. Mr. Peterson is Chairman of our Compensation Committee.

5

The Nominating Committee

The Nominating Committee was organized in November, 2005, near the end of our November 30, 2005 fiscal year end. As a result, the committee held no meetings during our last fiscal year. The Nominating Committee's Charter and Policies are available on the Company's website, which is located at www.gpreethanol.com. The Company believes that the members of the Nominating Committee are independent as defined by Rule 4200(a) of NASD's listing standards. The members of the Nominating Committee are Messrs. David A. Hart, Steven Nicholson, Hersch Patton, and Brian Peterson. Mr. Peterson is Chairman of our Nominating Committee.

The function of the Nominating Committee, as detailed in the Nominating Committee's Charter, is to recommend to the Board the slate of director nominees for election to the Board and to identify and recommend candidates to fill vacancies occurring between annual stockholder meetings. It is the policy of the Nominating Committee to consider candidates recommended by security holders, directors, officers and other sources, including, but not limited to, third-party search firms. Security holders of the Company may submit recommendations for candidates for the Board. All recommendations shall be submitted to Brian Peterson at: Address: 1739 Charles Avenue, Lawton, Iowa, 51030; Phone: 712.944.4937; Email: branpete@netins.net. Such submissions should include the name, contact information, a brief description of the candidate's

business experience and such other information as the person submitting the recommendation believes is relevant to the evaluation of the candidate. Mr. Peterson will then pass all such recommendations on to the Nominating Committee for consideration. For candidates to be considered for election at the next annual meeting stockholders, the recommendation must be received by the Company no later than 120 calendar days prior to the date that the Company's proxy statement is released to security holders in connection with such meeting.

The Nominating Committee has held meetings since our fiscal year end and has established certain broad qualifications in order to consider a proposed candidate for election to the Board. The Nominating Committee has a strong preference for candidates with prior board of director experience with public companies. The Nominating Committee will also consider such other factors as it deems appropriate to assist in developing a board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors include judgment, skill, diversity (including factors such as race, gender or experience), integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

The Nominating Committee will evaluate whether an incumbent director should be nominated for re-election to the Board or any committee of the Board upon expiration of such director's term using the same factors as described above for other Board candidates and the committee will also take into account the incumbent director's performance as a Board member. Failure of any incumbent director to attend at least seventy-five percent (75%) of the Board meetings held in any calendar year will be viewed negatively by the Nominating Committee in evaluating the performance of such director.

Board Meetings, Directors' Attendance and Security Holder Communications

The Board held twelve meetings during the fiscal year ending on November 30, 2005. There were two actions taken by unanimous consent during this period. No incumbent director attended fewer than 75 percent of the Board meetings held or fewer than 75 percent of the committee meetings held by committees on which an incumbent director served this period. 2004. The Company's policy is to encourage, but not require, Board members to attend annual stockholder meetings.

6

Security holders who would like to send communications to the Board may do so by submitting such communications to Barry Ellsworth at: Address: 7945 W. Sahara Avenue, Suite 107, Las Vegas, NV 89117; Phone:702.363.9307; Email: b.ellsworth@gpreethanol.com. The Board suggests, but does not require, that such submissions include the name and contact information of the security holder making the submission and a description of the matter that is the subject of the communication. Mr. Ellsworth will then pass such information on to the Board for review.

Certain Relationships and Related Transactions

Since our inception, we have engaged in transactions with related parties.

Sale and Issuance of Common Stock; Promoters

On July 1, 2004, 550,000 shares of common stock were issued to our two initial directors and founders for cash payments to the Company. Barry A. Ellsworth contributed \$87,500 to the Company at that time and was issued 350,000 shares of common stock. Christensen contributed \$50,000 to the Company and was issued 200,000 shares of common stock. The average purchase price for these shares was \$0.25 per share.

Messrs. Ellsworth and Christensen were the founders of the Company and may be considered to be promoters. Other than the stock purchases described in the prior paragraph, the salary now being paid to Mr. Ellsworth, and possible future compensatory arrangements as described in "Management," these gentlemen have not received and are not entitled to receive any assets, services or other

consideration from Green Plains. These gentlemen may receive, however, dividends on their common stock at the same rate and on the same terms as every other stockholder of Green Plains.

On August 26, 2004, Steve Nicholson, a director of the Company, and his wife purchased 28,000 shares of common stock for \$70,000.

We did not become subject to these Section 16(a) requirements until December 2005. As a result, our executive officers, directors and more than 10% stockholders were not required to comply with these provisions during our fiscal year ending November 30, 2005.

Executive Compensation

During the fiscal year ended November 30, 2005, none of the Company's officers worked for the Company on a full time basis, although Mr. Ellsworth, the Company's president, has spent the majority of his time on the project from March 2004 through the end of the 2005 fiscal year. None of the officers have received any salary, wage or other compensation for services through November 30, 2005, with the exception of Mr. Ellsworth who received stock for services. When the Company was originally incorporated, Mr. Ellsworth paid a total of \$87,500 for the 350,000 shares that were issued to him. In consideration for these shares, Mr. Ellsworth paid the Company \$50,000 in cash, and the remaining

\$37,500 was paid to the Company in consideration for services rendered by Mr. Ellsworth for and on behalf of the Company. No arrangements had been made with respect to future compensation and no employment agreements existed with any officer of the Company as of November 30, 2005. However, since that time, a compensation agreement has been reached with Mr. Ellsworth, our CEO and President. The Company commenced paying Mr. Ellsworth a salary on January 1, 2006, as described below. There are presently no ongoing pension or other plans or arrangements pursuant to which remuneration is proposed to be paid in the future to any of the officers and directors of the Company. We do reimburse our officers and directors for out of pocket expenses incurred in connection with their service to the Company. It is expected that that additional employment agreements and compensation packages will be negotiated in the future.

On December 9, 2005, the Company issued 5,000 shares of our common stock to Mr. Gary Thien for compensation for his services to the Company over the past two years. Mr. Thien is vice president and a Director of the Company.

In February 2006, we hired Allen H. Sievertsen as our general manager for the Plant. Mr. Sievertsen is working for us on an "at will" basis. His annual salary is \$150,000. He is also entitled to (i) a \$50,000 bonus when the Plant first begins producing ethanol, (ii) such other bonuses and compensation as the our board of directors may award, (iii) reimbursement of moving expenses, (iv) severance if Mr. Sievertsen's employment is terminated for any reason, other than for cause, for a period of two months if Mr. Sievertsen was employed by us for less than two years and for six months if he was employed by us for more than two years, and (iv) other insurance, vacation, and retirement plan benefits

9

In January 2006, we entered into an employment arrangement with Mr. Barry Ellsworth, our CEO/President, who is now working for us on a full time basis. Mr. Ellsworth is being paid a salary of \$120,000 per year. Additionally, the Company has agreed to reimburse Mr. Ellsworth for his health insurance premiums, which are approximately \$350.00 per month. The Board at its discretion may increase or decrease said compensation in the future.

We intend to recruit and hire permanent employees who will be compensated on a regular basis pursuant to agreed upon salaries once the Plant is completed. We expect to offer typical health and other employee benefits.

Director Compensation

No cash fees or other consideration were paid to our directors for service on the board from inception through November 30, 2005. The Company, upon the recommendation of the Compensation Committee, recently agreed to compensate its directors in nominal amounts for attendance at board meetings and for time spent working for and on behalf of the Company. Each director is to be paid \$150 for attendance at a board meeting held via telephonic conference and \$300 per meeting where travel is involved and a board meeting is held in one location at which all board members (or a majority of our board members) are present. If a board member spends an entire day working for and on behalf of the Company, said board member will be eligible to receive \$300 for that day's work. Our board members are to be compensated in a like manner for meetings and work performed by them in relation to the various committees of the Company. The Company also reimburses our board members for any out of pocket expenses. After the Plant in Shenandoah is operational, and/or after the Company is creating revenues of some kind, it is anticipated that the Company will adopt a reasonable compensation package for the board members.

Indemnification for Securities Act Liabilities

Iowa law authorizes, and our Bylaws and Indemnity Agreements provide for, indemnification of our directors and officers against claims, liabilities, amounts paid in settlement and expenses in a variety of circumstances. Indemnification for liabilities arising under the Act may be permitted for our directors, officers and controlling persons pursuant to the foregoing or otherwise. However, we have been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Exchange Act of 1934 and is, therefore, unenforceable.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serve on our Compensation Committee or

in a like capacity in any other entity.

2. Other Matters
